

Action Plan 2018/19

Eco-Schools Action Plan

School name:

Eco-Schools Topic: Global Perspective

Date range of this plan: Sept 18- June '19

Keep an eye on progress throughout the year, perhaps you could use a traffic light system

Our overall aim(s) for this Topic:

To increase awareness within the school of poverty and issues facing developing countries and to help on a whole school level

Action	Target & Measure	Timescale / Deadline	Responsibility	Evaluation
What are we going to do?	What's our goal and how will we measure it? Check out the Data Zone for suggested methods and to record ongoing data.		Who's in charge?	Was the action successful or not successful? How can we build on this for the future?
Toilet Twinning	To raise enough money to twin with 2 toilets in another country (60 pounds/toilet)	Easter '19	Eco School Committee	
Cash for Clobber	To raise funds through a school clothes collection	June '19	Eco School Committee	
Fair Trade	Raise awareness of 'Fair Trade' in our school community, encourage our school community to buy fair trade items. A record will be kept on how many fair trade items are used within the school.	Ongoing until end of school year	Eco School Committee	

Eco-Schools Topic: Outdoor Learning

Date range of this plan: Sept 18- June '19

Our overall aim(s) for this Topic:

To utilise our school grounds and surrounding areas as a means of learning

Action	Target & Measure	Timescale / Deadline	Responsibility	Evaluation
What are we going to do?	What's our goal and how will we measure it? Check out the Data Zone for suggested methods and to record ongoing data.		Who's in charge?	Was the action successful or not successful? How can we build on this for the future?
Use the school grounds and the local area to deliver the curriculum	Each class to have an outdoor lesson, other than PE, at least once a half term. Photographic evidence to be collected each half term.	Ongoing	Class teachers	
Make our school grounds more appealing by increasing artwork outside	Create a mural outdoors	June '19	Eco Schools Committee	
'Daily Mile'	Each class to partake in the 'Daily Mile Challenge'. Children can walk/run a mile a day. A record to be kept of participation	Ongoing	Eco School Committee Class Teacher	

Eco-Schools Topic: Transport

Date range of this plan: Sept 18- June '19

Our overall aim(s) for this Topic:

To increase the number of people travelling by foot/bike/bus/carpool to and from our school.

Action	Target & Measure	Timescale / Deadline	Responsibility	Evaluation
What are we going to do?	What's our goal and how will we measure it? Check out the Data Zone for suggested methods and to record ongoing data.		Who's in charge?	Was the action successful or not successful? How can we build on this for the future?
Increase active travel to school weeks	At least 3 walk/scoot/cycle to school weeks during the school year. (Walk to School Week, Sustrans Big Pedal, Translink Travel Challenge) Decrease the amount of cars travelling to and from school each day Keep a record of how people travel to and from Bunscoil Bheanna Boirche	Ongoing	Eco Schools Council	
Translink Travel Challenge	Children to keep record of how each class travel to and from school throughout the challenge	May '19	Eco School Committee	
Encourage parents to set up carpools	Encourage people living in the same area to share lifts to and from school	Ongoing	Eco Schools Committee	
Class surveys to see how children have travelled to and school	Children to complete regular class surveys to keep track of how children are travelling to and from school	Ongoing	Eco Schools Committee	

This is a suggested addition to your Action Plan. For more information about the SDGs please visit www.eco-schoolsni.org “About Us” section.

Which of the UN Sustainable Development Goals does our Eco-Schools Action Plan cover?

Circle at least one which we can link our Eco-Schools work to this year:
